Message

As we observe **Swachhata Pakhwada 2026**, I would like to encourage all officers, staff and employees of the Department of Legal Affairs to make cleanliness a part of our daily lives.

The **Swachhata Pakhwada** initiative reminds us of Mahatma Gandhi's belief that cleanliness is essential for a healthy and strong nation. It is not just a duty, but a habit, we should all follow every day.

We all being a part of the Department earnestly work to achieve the goals of **Viksit Bharat**. As a part of this endeavour, we should also keep our workplaces clean, organized, and pleasant. A clean office helps us work better and creates a positive environment for everyone.

During the **Swachhata Pakhwada**, I request everyone to take part in the following activities:

- (1) Cleanliness Drives: Keep your office and surrounding areas clean and participate in cleaning activities.
- (2) **Shramdaan**: Spend some time in voluntary cleaning work, even if it is just for an hour, to help improve public spaces.
- (3) Record Management: Remove old and unnecessary files, organize important documents, and ensure proper disposal of e-waste.
- (4) Awareness Activities: Take part in activities like tree plantation, and spreading awareness about cleanliness.

I also request all offices/units of the Department of Legal Affairs to actively participate in the **Swachhata Pakhwada** and set an example for others.

The **Swachhata** Pledge taken by us should motivate us to encourage others to join this campaign. Small efforts from each one of us can make a big difference.

Let us work together to make **Swachhata Pakhwada 2026** successful and help build a cleaner, healthier India.
