MESSAGE

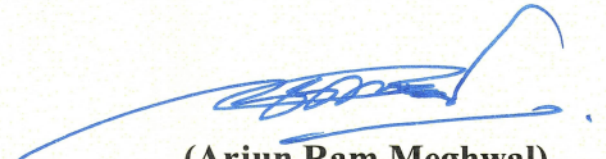

I am pleased to note that the Department of Legal Affairs is celebrating **Swachhata Pakhwada 2026** from 1st to 15th April, 2026 with great zeal and enthusiasm which is a part of the larger mission to weave "Swachhata" into the daily culture of our government offices. Cleanliness is not merely an activity—it is a reflection of discipline, efficiency, and respect for our surroundings.

On this occasion, I would like to acknowledge the visionary leadership of our Hon'ble Prime Minister who has given a clarion call to make *Swachhata* "everyone's business" which has brought about a remarkable transformation in the upkeep of government building and surroundings.

The Department of Legal Affairs stands as a pillar for the cause of Law and good governance. Our work space must reflect the same standards of order, responsibility, and commitment that we uphold in discharge of our duties. A clean and well-maintained environment enhances productivity, improves morale, and sets a benchmark for others to follow.

Let us not treat this as a one-time campaign, but as a sustained commitment. I urge each one of you to take the Swachhata Pledge and motivate others to join this national mission.

Together, through dedicated effort and collective responsibility, let us make *Swachhata Pakhwada 2026* impactful and outcome-oriented. Let our actions reflect our commitment to building a cleaner, healthier and more responsible India.

(Arjun Ram Meghwal)
